Consulting Services for phpMyAdmin

Report - January 2026

Overview

In January I merged + reviewed contributions. I also did some issues triage.

First week (01)

I worked on the localized_docs repository to make it build like a matrix. And better understand what are the translations that need fixing.

Second week (02)

Nothing to report

Third week (03)

I merged some contributions.

Fourth week (04)

I merged some contributions.

Fifth week (05)

Nothing to report
